Dear Director Casey:

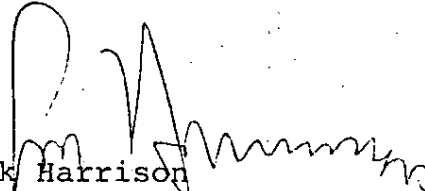

Thank you for your letter of February 15.

I regret that my schedule prevented me from attending your briefing Friday morning, February 25. [redacted] has informed my office that alternate dates are open; but, unfortunately, I find that I have prior personal commitments on those dates as well.

Honorable James H. Cooper
House of Representatives
Washington, D.C. 20515

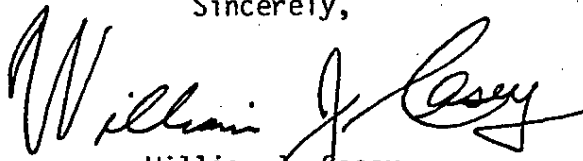

Dear Mr. Cooper:

I look forward to working with you as a new Member of Congress during the coming year on matters of intelligence and national security. Although the House Permanent Select Committee on Intelligence is charged with oversight of the Intelligence Community, including the Central Intelligence Agency, I would like personally to provide you an understanding of the Central Intelligence Agency and the work it does at an informal session here at Agency Headquarters in Langley, Virginia at 9:30 a.m. for about an hour and a half on Wednesday, 23 February. We wish to keep the groups small enough for candid, informal exchanges on what we consider some of the critical issues facing the U.S. Government today. I look forward to participating in such sessions as do my Deputy and other senior Agency officials who will join me for the discussions.

Speaker O'Neill has suggested that bus transportation would be a convenient arrangement for getting the group to the Agency and back to the Capitol. The bus would be at the House entrance to the Capitol at 9:00 a.m. and will be marked Langley.

[redacted] will be pleased to receive your response and to provide additional details on transportation and other arrangements. I look forward to seeing you on 23 February. STAT

Sincerely,

William J. Casey
Director of Central Intelligence

Honorable John McCain
House of Representatives
Washington, D.C. 20515

Dear Mr. McCain:

I look forward to working with you as a new Member of Congress during the coming year on matters of intelligence and national security. Although the House Permanent Select Committee on Intelligence is charged with oversight of the Intelligence Community, including the Central Intelligence Agency, I would like personally to provide you an understanding of the Central Intelligence Agency and the work it does at an informal session here at Agency Headquarters in Langley, Virginia at 9:30 a.m. for about an hour and a half on Wednesday, 2 March. We wish to keep the groups small enough for candid, informal exchanges on what we consider some of the critical issues facing the U.S. Government today. I look forward to participating in such sessions as do my Deputy and other senior Agency officials who will join me for the discussions.

Speaker O'Neill has suggested that bus transportation would be a convenient arrangement for getting the group to the Agency and back to the Capitol. The bus would be at the House entrance to the Capitol at 9:00 a.m. and will be marked Langley.

will be pleased to receive your response STAT and to provide additional details on transportation and other arrangements. I look forward to seeing you on 2 March.

Sincerely,

A handwritten signature in dark ink, reading "William J. Casey".
